ColourPlus[®]
PREMIUM DECORATIVE LAMINATES

Make an Impact with Texture

For some reason, texture always seems to be an afterthought when it comes to interiors.

But our experience says:

Texture adds dimension to an interior.

It appeals to our senses - both visual and tactile - which makes the interior interesting.

ColourPlus is excited to present to you its rich collection of the latest in Texture Patterns. Just go ahead and make a conscious choice about how and where you add texture.

Texture adds dimension to an interior...

Finishes :

ColourPlus Laminates are available in 1 & 1.5mm (± 0.05 mm) thickness in the sheet size of 244 cm x 122 cm. The finishes available are Matt, Glossy and Suede and exclusive range of textures.

Care and Maintenance :

Wipe clean with ordinary soap or household liquid detergent. For stubborn stains use diluted organic solvent or stain remover. Abrasive cleansers and wire brushes are not recommended.

Notes :

- All tests may not be valid for metallic laminates.
- Sample pasted, represent only colour pattern and finish, not actual thickness. There may be slight variation in shades in batch, particularly in metallic designs.
- Bonding of laminate under high humidity, plywood with high moisture content, ply with uneven surface, interior quality adhesive and insufficient pressure may lead to delamination / air bubbles in between ply and laminate.
- Signature Laminates Pvt. Ltd. warrants that its products are free from manufacturing defects and they are fit and suitable for use under normal conditions. The product must be inspected prior to installation, in case of any claims, the liability of the company is limited to the cost of laminate only.
